Testimonials

"Captains Live is the perfect spot for live music events for Trinity societies or charities. Since the revamp, Trinity Ents '10/11 ran our Tuesday night live & Battle of the Bands events in Captains Live. They're great to work with, and the prices are perfect for student gigs."

Darragh Genockey Ents Officer 2010/11

"Captain's Grafton St. is a great venue for live shows, be it music or otherwise. There's always a good crowd as well as a great buzz and energy in the place. The UCD Music Society has been lucky enough to have a few gigs there already, and both our bands and audiences have had a great night each time. We're looking forward to our next gig there!"

Ruth O'Mahony Brady UCD Music Soc

"Captains Live is a top venue! ! The new layout with the stage placed at the back allows for a serious atmosphere to be created, lighting and sound were spot on, and from talking to all the people who came to the gig they all said the same!! I'm sure the college will be looking to have the venue booked again for next years competition as soon as they can!"

Sean Henshaw - NCI Talent Competition

" The Staff were incredibly helpful, and the equipment was top notch"

Ben Clifford - Trinity Comedy Soc
